Mungo® MQ-Series

Quattro Nylon Plug

**[CONTRACTOR
APPROVED]**

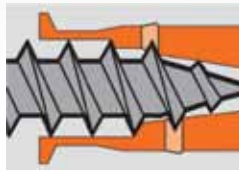

Quattro® Technology
Highest possible retaining values in the lower and middle load area. Particularly suitable for applications with chipboard screws.

Rotation resistance
Stops the plug rotating in the drill hole.

Reduced installation time
Special plug geometry allows ease of entry into the drill hole.

Knock-in protection
Prevents premature expansion while installing.

- For use in all kinds of building materials
- Collar prevents the plug from being pushed into deeper holes
- Made from high-quality polyamide PA6
- Pre installation
- Indoor and outdoor applications
