

# Metallics

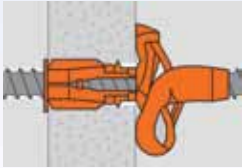

Mungo® MU-Series

## Multi Nylon Plug

**[ CONTRACTOR APPROVED ]**

### Multi functional application

The knot leads to high performance in hollow walls.

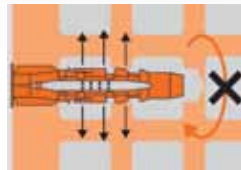

### Pre installation or through fixing

Automatic collar detachment makes the plug multifunctional.

### Knock-in protection

Prevents premature expansion while installing.

### Self tensioning

Stops the plug rotating in the drill hole.

- Particularly suitable for cavities
- Can be used with sheet metal screws, wood screws, chipboard screws and metric screws
- Made from high-quality polyamide PA6
- Indoor and outdoor applications
