DAP® KWIK FOAM®

Polyurethane Insulation Sealant

[CONTRACTOR APPROVED]

Description: A one part, moisture-cure, polyurethane foam that expands to economically fill and seal large cavities. Stops air infiltration and will not degrade or shrink. Kwik Foam contains a flame retardant. The DAP trademark is a signature for products immediately recognized for their quality and leadership. It is a powerful signal to generations of do-it-yourselfers and professional tradespeople who chose and use DAP products with the utmost confidence.
